

Easywash "E"

Pneumatic manual tool washer, Model Easywash

The 'Easywash' performs an accurate manual washout without exposing the operator to harmful substances and allows the waste solvent to collect in liquid form inside the service tank, thus preventing problems and costs connected to dirty rags disposal.

Dirty solvent can be then easily recovered by means of an IST solvent reclaimer.

Features:

- Aisi 304 stainless steel made
- Fully pneumatic functioning
- Pneumatic pump with teflon diaphragms
- Pump on / off treadle
- Solvent resistant gloves
- Solvent feeding brush
- Cover with glass window

Specifications:

Washing width	580mm x 630mm x 360 (h)
Total dimensions	780mm x 630mm x 1260mm (h)
